THE MEDIA

© www.google.com

Mainstream liberal media has been attacked in recent elections and referendums as a pillar of an establishment which can no longer be trusted.

Talk about how we get the news these days in the age of social media and what the future holds for the media.

You have up to 5 minutes to prepare your talk. You can take notes or make a brief plan of what you are going to say. Talk to the examiners for about 3 – 4 minutes. You can use your notes during your talk but not read them out loud. At the end of your presentation, the examiners will ask you a couple of questions. Your production will be recorded.
